A NEAR-VICTORY FOR WASHINGTON

Lost to Chicago in Twelve Innings.

CROSS FIRED FROM GAME

Kicked on Decision That Turned the Tide-Few Hits, But All Timely.

CHICAGO, June 13. - Washington scored another near-victory yesterday when it lost to Chicago in the twelfth inning, by 3 to 2.

Timely hitting by Heydon, Charley

Jones, and Stahl gave Washington a run in the eighth and one in the ninth innings, tying the score. Things went along smoothly enough until the twelfth round when Altizer threw Jiggs Donohue's blow over Stahl's head, and Jiggs went to third. The Washington players contended that Stahl got the ball to third in time for Cross to nail the daring Donohue by a mile or so, but Umpire Evans called him safe. He scored later on Tannehill's long fly.

The decision in Donohue's case produced one of the baseball marvels of the age. Lave Cross was fired from the game by the ump! This sounds al-most impossible, but it is true—Lave got the sack. As Lave is one of the fairest men in the business it is a good bet that the decision was much to the

Owen was taken from the box in th eighth inning, but Walsh, who succeeded him, was rapped for timely hits in the ninth inning. The Score.

SPORTING COMMENT

Washington returns home on June 21 and opens a series with the Athletics.

Ugh! Not only does Chicago trounce those terrors of the diamond by a score worse than that which the Athletics smeared on the Nationals in the early part of the season, but on the day of days, when the championship pennant is raised, the despised tail-enders, the Prooklyns, administer a 11-0 shut-out in the face of all that's gone before.

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to removing the cause of any disease is the condition in which the system is left after a course of medical treatment. Medicines containing mercury, potash or other strong mineral ingredients often do permanent injury by eating out the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the bowels and so damaging the system that even if the original cause of the disease has been removed, it is left in such a deranged and \$1,000 REWARD

GRIFFITH ROASTING JOHNSON AND UMPS

CLEVELAND, Ohio, June 13 .- Maniger Clark Griffith last night made a bitter attack upon not only Umpires Hurst and Connor, but also Ban John-son, as the result of the Highlanders'

He declared that neither Hurst nor Connor was fit to umpire such an important series of games as the present one between Cleveland and New York with first place at stake.

"I don't blame the umpires one bit," declared Griffith, "but I do blame Johnson. And I don't care how strong you put that either. The umpires try to do the best they know how, but when he sends two men to officiate in such a series as these games are bound to be, I don't know what Johnson is thinking about, especially when I believe that these two men could not tell the difference between a baseball and a
